

CREDIT CARD CHARGE AUTHORIZATION FORM

Please be advised that when you choose to use a DEBIT and/or CHECK CARD for the rental of your equipment, the estimated rental expense will be secured on your card and your bank will “freeze” those funds just as though you’ve made a purchase. Depending on your banking institution, it could take several days for the “frozen” funds to be released back to your account, and that determination is made solely by the issuing bank. Dahl’s Equipment Rentals has no authority or control over debit and check card processing rules, so use of those cards for rental transactions is NOT recommended.

Please complete this form and return it to Dahl’s Equipment Rentals, Inc., via either of the two methods listed below, in order to use your credit card to secure a rental and/or sales contract.

Method 1 – Email:

When emailing this form to us **DO NOT PROVIDE THE ACTUAL CREDIT CARD NUMBER**, then once we’ve received it, we will contact you to verbally ascertain the number and complete that portion of the form on your behalf. (our email accounts are NOT encrypted or secured)

Method 2 – Fax:

When faxing this form, please include *all* information and fax it to **(408) 292-6625**. (our fax machine is in a secured area and only accessible by our sales staff)

Your reservation and/or delivery date and time (if applicable) will NOT be honored without our receipt of this COMPLETED authorization form.
